

Module 3: Photos That Draw Great Men Like Bees To Honey

Lesson 2 - Photo 2: The Close Up

By Michael Fiore and Digital Romance, Inc.

Part 2: The Close Up / Head Shot

- Again, if a guy can't see your face he'll assume the worst.

- Again, if a guy can't see your face he'll assume the worst.
- Wear a color close to your face that goes well with your skin tone (nothing that washes you out.)

- Again, if a guy can't see your face he'll assume the worst.
- Wear a color close to your face that goes well with your skin tone (nothing that washes you out.)
- Keep makeup to a natural and fresh look (sometimes it takes a lot of makeup to attain a fresh look - but don't overdo it.)

- Again, if a guy can't see your face he'll assume the worst.
- Wear a color close to your face that goes well with your skin tone (nothing that washes you out.)
- Keep makeup to a natural and fresh look (sometimes it takes a lot of makeup to attain a fresh look - but don't overdo it.)
- A “close shot” creates a feeling of intimacy and “being in your space.”

Close Up Pose Options

Straight At The Camera . . .

Can be intense or
inviting (or both.)

Creates a feeling of
“knowing you.”

“Eyes are the
windows to the
soul.” What does
your soul say?

Looking Off Camera

Fun. Flirty. A bit coy. (Flirty without
flirting with HIM.)

Creates curiosity.

Careful with the “Bedroom Eyes” ...

Sends a jolt directly to his ...

Same with the pursed lips. Too sexy.

Remember: A little sexy goes a **LONG** way in a guy's imagination.

The “Magnetic” Smile

The “Magnetic” Smile

The “Magnetic” Smile

- Unless you’re a Goth looking for Goths, you want to look **HAPPY** and **FUN** in your profile pics.

The “Magnetic” Smile

- Unless you’re a Goth looking for Goths, you want to look HAPPY and FUN in your profile pics.
- A great profile smile is a confident, content and happy profile smile with a little bit of mystery behind the eyes.
